Food got broken up

Prepared with food

Planning Ahead:

December: Board creek wilderness survival

Y Scoutmaster Minute.

We need to be more active in planning campouts and not relying on adults.

Think about enforcing an idea of letting a 14 year old try to plan a campout by themselves with help of senior scouts. Shed orientations.

Y Meeting Review.

A lot of people are working on scout skills and making better presentations. We need to be more of a boy led troop.
